

Josianne Beaudry is a member of the Business law group. Her practice is primarily focused on securities law, investment funds and mining law. She also advises financial sector participants on the application of regulations relating to securities and corporate governance.

Ms. Beaudry assists clients carrying out public and private financings, corporate reorganizations, as well as mergers and acquisitions. She also helps publicly traded companies maintain their reporting issuer status.

Ms. Beaudry also advises investment fund managers, dealers, and portfolio managers in matters related to their registration and activities.

She assists mining companies in every stage of their development.
